

4-1/2" DOUBLE SIDED FLAPPER WHEELS

\$11.49 EACH

Flapper wheels are excellent for weld grinding, deburring, rust or paint removal and feathering. Spin on 5/8"-11 threaded center lock the flap disc in place. Dual grit; the user simply unscrews the flap disc and flips it over to attain the desired finish—this allows the job to move along with ease! For use on 4-1/2" angle grinders.

40/40 Grit FRN # 71925

ICE & WEED BURNER

FRN # 1723

\$44.99

This 500,000 BTU propane burner has hundreds of practical uses such as to burn weeds and brush, roofing applications, removing paint, melting snow and ice, melting tar and repair asphalt, and much more. Hooks up to a standard 20 lb. barbecue grill type liquid propane tank. Features a brass control knob mounted to a 36" all steel torch handle and torch head. Includes a 10 ft. hose with universal CGA-510 L.P. connection, POL safety valve and striker for proper ignition.

MIG • TIG • STICK MULTI-PROCESS WELDER

AFTER \$100 GREENBACK REBATE!

FRN # 324

\$879.99*

This welder easily switches between MIG, TIG or Stick welding processes. Offers Euro Connect Torch for fast disconnect to swap out torch and clean liner. Uses handy Tweco® style consumables. Better wire feed thanks to upgraded cast aluminum wire drive system with dual geared idler and drive roll with better de-spooler. Features: digital readouts, multi-trigger modes and advanced synergic controls for higher quality welds and spatter reduction. Includes torch with 10' Lead, 10' Ground cable and clamp, 10' Stick electrode holder, 15' input power cable, Gas hose & regulator, 50A to 20A adapter cord. Protected under a 5/3/1 warranty.
