

# EXTENDED LIFE Antifreeze / Coolant

## 1-Gallon Concentrate

- Concentrated Formula - allows diluting to desired freeze/boil protection.

Note: Never use 100% coolant in concentrated form. Mix with an equal volume of high quality soft, de-ionized or distilled water.

- Compatible with current OEM coolant for a 'worry free' top off.
- Provides up to 150,000 miles or 5 years service life protection.
